Bill,

If you haven't closed out the case yet, here is a sample final response you can use when you draft yours.

The disposition in FOIAonline is "Request Withdrawn"

All my documentation is in the case file. Thanks.

He also has another one open I think. So will send a clarification letter for that one also.

Be well,
Kevin

Yay! I will happily close this FOIA out. This is good news because the request was sooooooooooooooooooooo broad:

- Tracking Number: EPA-2020-004716
- Requester: Mr. Thomas G Ross
- Request Track: Simple
- Submitted Date: 05/14/2020
- Due Date: 06/18/2020
- Description:
- Short Description: N/A
- Description: All documents in any way related to the nomination and appointment of TSCA SACC Ad Hoc Peer Reviewers for EPA's Asbestos Risk Evaluation. This request is specifically intended to include documents related to the nomination and appointment of TSCA SACC Ad Hoc Peer Reviewers Steven Markowitz and Martin Kanarek, and TSCA SACC Member Henry Anderson.

Will close out with Jonah's input. I guess the reason would be "non response?"

Bill & Jonah,

This is an OSCP request. The requester did not reply to my two emails asking for clarification. Can one of you close this out today?

Please keep me posted once closed.

Be well,
Kevin
